

Quinta das Bageiras Bruto Natural rosé 2020

Mario Sergio and son Frederico make very characterful Espumante and always choose Bruto Natural to achieve the purest expression.

This sparkling wine's grapes come from the second harvest of the vines best suited to produce Baga grapes for a sparkling rosé. It is vinified through fermentation of skins. It is bottled in the year following the harvest. It is a sparkling wine produced through traditional methods, fermented in the bottle, and the remuage is done by hand in wooden pupitres. Since it is a bruto natural, there is no added sugar in the liqueur d'expédition.
